MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with Secretary Brown, 30 June 1978

25X1

11. I told them of my concern with the [redacted] case. They were partly familiar with it. They agreed that we should stand together on this one. They weren't ready to be sure they were going to take a position against [redacted] having a clearance though they seemed inclined in that direction. I will hold my letter further until I hear from them that they are willing to stand with us.

13. I mentioned our plan to go to a centralized compartmented clearances program for Congressional staff. The Secretary wasn't aware of this but thought it sounded good and would check if they had any problems with it.
